

BIKE RAFFLE...

Great news on the bike-matching program. Our sponsor, Wisconsin Harley-Davidson has so generously agreed to match business/corporate donations again this year. The match will be "dollar for dollar" up to the cost of the bike.

The minimum amount to qualify for the match will be \$300.00 and must be from a business or corporation. So please make sure any checks you receive are from a business. In the unlikely event cash is received, we will require a brief letter that indicates the purpose of the contribution. The letter should be on their business letterhead.

This is a great opportunity to help reduce the overall cost of this event. Please make every effort make this a success. Please contact Bob Groh at (262) 369-5482 or e-mail him at bobg@geo-synthetics.com

Thanks and have a good time collecting
